

# 龍海鮮螃蟹王

First founded in a neighbourhood coffeeshop amidst the friendly Ang Mo Kio estate, the ever-popular Uncle Leong Seafood has now heightened into a full-fledge restaurant at Punggol End. Still keeping its modesty, Uncle Leong Seafood serves up the day's first dish as they do daily.

Uncle Leong Seafood is the one of THE places to go for crab, based on the signature recipe that has drawn a keen following since the first public taste in 2002. Today, Uncle Leong Seafood welcomes a daily haul of customers comprising both locals and foreigners.

“Shimmering Sand Crab delight”, Uncle Leong’s wonderful signature dish, is a mouthful, but a tasty one! The dish is an original Uncle Leong recipe: larger than average crab drizzled with Uncle Leong’s signature butter sauce and topped with a sprinkle of oat, a combination of flavours that complement the fresh flesh excellently. The aroma alone will leave you wanting more. Other must-try dishes are the “Crab Bee Hoon”, “Guinness Pork Ribs”, and more.
